Please say the Angelus and ring the bell before beginning Office.

I am introducing memoria of English saints who no longer appear in the general calendar.

Most are from the early Celtic and Anglo-Saxon church and pre-date the Norman Conquest , hence no dates.

They are there to be used if you wish during your intercessions. General prayers for the saints can be found in the red book Exciting Holiness. There is also a book of Saints in the Chapel if you want to read up on the legend
