New Kitchen

Apologies for the building works that are currently taking place on the playground and we hope this is not causing too much inconvenience at drop off and pick up time. The work is part of a kitchen project that school has been working towards for a while now to ensure that we have a full cooking kitchen. By September we will have our own fully operating kitchen which I am sure will have a positive impact on the standards of meals served at St James.

Thank you for your cooperation and understanding.

September Classes

As we return to school for our final half term of this academic year I am now in a position to update you on staffing for September 2015.

FS2 Miss H Jones

Y1 Miss E Dolan

Y2 Miss L Paton

Y3 Miss E Jones

Y4 Mrs G Forrester / Mrs K Jones

Y5 Miss V Ormshaw

Y6 Miss A Gomes.

Children will be meeting their new teachers over the next few weeks but if any parents have any worries please contact school. You will notice from this list that we will be saying good bye to Miss Williams from Y3 in summer. As she moves to a new adventure to start teaching in London we wish her all the best and her new pupils are very lucky to be getting such a good teacher.

Art Sale

School would like to say a big thank you to all parents and children that attended our art sale just before the holidays. We managed to raise a whopping £400 which will be going towards our playground and woodland area projects.

Breakfast/Afterschool Clubs

School are pleased to announce that our Breakfast and After school clubs are up and running. If any parents require a place in any or both clubs please contact the school office.

Many Thanks

Ugly Bug Ball

We loved our Ugly Bug Ball, It was great dressing up as our favourite bugs. We played games, made bug pictures and yummy cakes! We had lots of party food, my favourite was a caterpillar kebab.

Head-lice

School has noticed that a lot of our children especially the older children are coming to school with their hair not tied up. Could we please remind parents that hair needs to be tied back to help stop the spread of head-lice.

Many Thanks
